# Fly Tying Lessons

WILSON'S fly shop is the best place to come for great selection, excellent service & friendly advice !

**Introduction:** Our tying program is a fun & easy way to introduce yourself to the art of fly tying. We make sure you understand every step so you can join the ranks of those fly fishers who catch fish on flies they tied themselves! Beginner courses are 3 hours long and run on Saturday mornings with 1 hr personal instruction available at any times that are mutually convenient.

**Instructors:** Our fly tying instructors include 2 of the best tiers in Ontario. Both men are knowledgeable, friendly instructors who focus on teaching rather than preaching and they make learning fun!

**Sheldon Seale:** Sheldon is our head instructor and past president of the Izaak Walton Fly Fishing Club. Sheldon has taught fly tying for over 20 years and is a frequent speaker and fly tying demonstrator who has been featured at local clubs & the Canadian Fly Fishing Forum. He has also represented Canada at the International Fly Tying Symposium and is the fly tying editor for the Canadian Fly Fisher magazine.

**James Wachiuri:** With 25 years of experience as a production fly tyer, we are lucky to have James on our team. Friendly, knowledgeable and a patient instructor, James will teach you all of the techniques you need to properly tie just about any pattern you would like to learn!

**The Program:** New fly tyers should always take at least one 3 hour beginner course because those that do not learn the proper basics quickly get frustrated. Our Beginner Course focuses on local patterns that every local fly fisher will use. Once comfortable with the basic tying techniques, you will need to learn the "tricks of the trade" to improve your tying. The best way to do this is to book one on one individual instruction to tie local dry fly and wet fly patterns.
